Culminating Project Portfolio Requirements – Grade 11 *Choices Planner* Making Decision About Your Future

Go to www.bridges.com and sign in using your **portfolio name** and **password**. If you need to create a portfolio, follow the instructions in the box at right.

Question: What information do I need about careers and myself Before making a good decision?

First, you need to know the following information about **yourself**. You can learn these things about yourself by taking the assessments available in **Choices Planner**.

- What you enjoy doing (your **interests**)
- What you are good at doing (your **skills**)

Let's begin by looking at what you like doing (your **interests**):

Go to **Choices Planner**. Click on **Interest Profiler** under the **Work** tab, follow the directions and take this interest inventory.

1. **Complete *Interest Profile Results* for your portfolio.**

Click **Check out careers matching your interests**. Click the titles of careers that appeal to you and learn what they do by clicking on them.

Click the **Work** tab. Click on **Basic Skills Survey** (under Connect Yourself to Careers) and assess your skills.

2. **Complete *Basic Skills Profile* for your portfolio.**

Click on **Work** tab, then on **Transferable Skills Checklist** (located at the bottom of the page to the right). Complete the exercise.

3. **Complete *Transferable Skills Checklist* for your portfolio.**
