

NorthEast Vocational Area Cooperative

Looking for a class that is not offered at Liberty High School? Why not enroll in a NEVAC class and explore really cool careers before you leave high school! Explore NEVAC and the course offerings at

www.nevac.org

WHAT IS NEVAC? The NorthEast Vocational Area Cooperative (NEVAC), is a partnership of nine school districts in Northeast Puget Sound. Member districts include Bellevue, Edmonds, Issaquah, Lake Washington, Mercer Island, Northshore, Riverview, Shoreline and Snoqualmie Valley. NEVAC provides a broad range of outstanding courses for all students, which can expand options for the future. All classes encourage both male and female students to enroll. Classes are located at several high schools and operate during the regular school day.

LIST OF COURSES OFFERED:

TIMES AND LOCATIONS OF COURSES:

http://www.nevac.org/docs/course_offerings.pdf

WHO CAN PARTICIPATE? In general, students are enrolled in grades 11 or 12. Exceptions to this should be reviewed with the student's Counselor. Some Distance Learning courses are available to students grades 9-12.

LENGTH: Most classes are a full year unless otherwise noted. For questions about enrolling, please contact your [career specialist](#) or guidance counselor.

SCHEDULING & AVAILABILITY: Registration for the 2009-2010 school year begins February 1, 2009 and ends in May. NEVAC classes are approved through your counselor and coordinated through your career specialist.

Classes operate on a space-available basis with enrollment on a first-come, first-serve basis. Priority is assigned in the following way from highest to lowest: students at home school, students within home district, students from other districts.

CREDITS: Career and Technical Education credits are earned based on class hours involved. Some classes offer equivalency credit (i.e., math, science). Many NEVAC classes are eligible for college credit through Tech Prep. Check with your guidance counselor or career specialist.

COST: None (except as noted for lab fees).

TRANSPORTATION: Students provide their own transportation.
