

Electronic Information System Individual User Access Informed Consent and Release Form *

Understanding that using the Issaquah School District network and having access through it to the public networks is a privilege, I hereby release the Issaquah School District and related providers from all claims and damages of any nature arising from my or my student's use. The related providers referred to are the K-20 Network, and other intermediary providers, if any, and operators, and any institutions with which they are affiliated. I also release the Issaquah School District from all claims and damages of any nature arising from my, or my student's use, or inability to use, the WedNet including, without limitation, the type of damages identified in the Issaquah School District's Electronic Information System Policy. Further, my student and I agree to abide by the District's Policy and Procedures for Electronic Information System. Please check:

Both my child and I have read and understand the rules printed on the bottom of this page.

Network

Use of computers at school is for education and research only.

- No games, audio files, video files or any other programs may be downloaded or installed on any district computers or servers without previous permission. Any authorized downloads or accessed websites must be for education and research only.
- Students may not alter any operating system features or functions – desktop settings, passwords, start-up files, etc., or alter, delete, or copy any programs.
- Students are responsible for physical damage to computer equipment they are using.
- Students participating in any chat, bulletin boards, messaging or like services must be part of a supervised learning activity approved in advance.
- When students create files or e-mail they are responsible that the content is appropriate and civil, and not used for harassment, discrimination, or abuse. Hate mail, harassment, discriminatory remarks are prohibited.
- All hacking, introduction of viruses, use of the system to harass others or gain unauthorized access, use of the system to access, store or distribute pornographic material or potentially dangerous information, e.g. drug information, is prohibited.
- Students' personal computers or laptops may not be connected to the district network.

Security

- Students may use only their personal logins and accounts to access the network or Internet. Students are responsible for all activities that occur under their personal logins.

Copyright

- Students will comply with Fair Use and copyright laws, citing all text, graphics, or other material copied from other files or from the Internet.

Personal Safety

- Students should not share personal information such as addresses and telephone numbers on-line, or make appointments to meet people in person contacted on the system without district and parent permission.
- Students should tell a teacher or other adult whenever coming across any information that is dangerous or inappropriate on the Internet, or when using e-mail or other forms of electronic communication.

Students agree that the result of any violations of this agreement will be the suspension of the license to use computer workstations and may be subject to regular school discipline. The length of suspension will be decided by the appropriate authority.

* Complete Electronic Information System Policy and Procedures is available from any school office. 9/13/2005
