

ASVAB – ARMED FORCES VOCATIONAL APTITUDE BATTERY

Test Location: Liberty Career Center
Test Date: Thursday, November 1, 2007
Test Time: 7:30 a.m. – approximately 10:45 a.m.
Cost: FREE!
Questions: Call Kay Hutchinson, Counselor, at 425-837-4868

Students can sign up in the Counseling Office Oct 17-29th.
An interpretation session will be held on Tuesday, November 27 at 7:30 am to go over the results of your test. The counseling department will send a reminder to student with the location and time of that interpretation session.

The test and the interpretation session will count as absences initially, but will be removed if you accumulate 8 absences in Sem 1

The ASVAB is the most widely used multiple-aptitude test battery in the world.

The ASVAB was originally designed to predict future academic and occupational success in military occupations. Since its introduction in 1968, the ASVAB has been the subject of extensive research. Numerous validation studies indicate the ASVAB assesses academic ability and predicts success in a wide variety of occupations.

Several composite scores are formed from different combinations of ASVAB test scores. Three composites, or Career Exploration Scores, are provided specifically to help students engage in career exploration. These scores help students to get a good sense of their verbal, math, and science and technical skills compared to other students in the same grade. ASVAB results are reported to students and counselors on the ASVAB Summary Results sheet. This report shows grade-specific, gender-specific, and combined standard scores and score bands for all eight tests and three Career Exploration Scores. It also provides students with percentile-based interpretations of those scores. The ASVAB Summary Results sheet provides students with appropriate explanations of the scores, as well as suggestions for their use.

THE EIGHT ASVAB TEST AREAS ARE

- **General Science**
A 25-item test measuring knowledge of life science, earth and space science, and physical science
- **Arithmetic Reasoning**
A 30-item test measuring ability to solve basic arithmetic word problems
- **Word Knowledge**
A 35-item test measuring ability to understand the meaning of words through synonyms
- **Paragraph Comprehension**
A 15-item test measuring ability to obtain information from written material
- **Mathematics Knowledge**
A 25-item test measuring knowledge of mathematical concepts and applications
- **Electronics Information**
A 20-item test measuring knowledge of electrical current, circuits, devices, and electronic systems
- **Auto and Shop Information**
A 25-item test measuring knowledge of automotive maintenance and repair, and wood and metal shop practices
- **Mechanical Comprehension**
A 25-item test measuring knowledge of the principles of mechanical devices, structural support, and properties of materials

Students, YOU are the primary architects of your careers.

FACT: Many students are not sure about what they want to do after they finish high school.

FACT: Having a good foundation of knowing who you are helps you to make realistic and satisfying educational and career choices.

FACT: The ASVAB Career Exploration Program can help you develop and execute a blueprint to build your career.

The ASVAB Career Exploration Program is appropriate for virtually all 10th, 11th, and 12th grade students. You can benefit from the Program whether you plan to pursue further education after high school or enter the workforce right away. The Program is designed to help you:

- ⌚ Learn more about yourself and the world of work
- ⌚ Explore occupations in line with your interests and skills
- ⌚ Develop an effective strategy to realize your career goals.

The ASVAB Career Exploration Program helps you identify your interests. The Program also provides you with information about your strengths in three skills areas (Verbal, Math, and Science and Technical Skills). In addition to helping you find out about yourself, the Program provides interest and skill importance information for more than 400 occupations so that you can judge your potential for success in various occupations.

Take advantage of the ASVAB Career Exploration Program as you consider a full range of career options.
