** This deposit will lock in your spot on the trip. It also pays for your airfare. Southwest Airline tickets are currently on sale for our destination. Southwest is currently the least expensive flight to get into the Los Angeles area (Ontario, CA).

It is important to get payments in on time so we can make arrangements early and try to lock in the best rates possible. Failure to this could lead to removal from the trip, higher prices for the entire group, or both. Please feel free to make payments earlier than scheduled as it will make for one less thing to worry about for all of us.

Bring all payments directly to Cheri Pepka in the ASB Office, during ASB hours only.

Once a payment has been made in the business office, please show the receipt to Mr. Donley so your payment records can be kept in the band office as well.
